Transfer Recorded.

Clerk Hook on Saturday admitted to record six deeds of trust and a deed made August 1 by John F. Miller and wife to George Reith, in consideration of \$1,000, for lot 31 in Churchill's addition.

Wanted Her Ring Back.

A girl who said her name was Lucy Williams and that she lived on the National road on the hill complained to the police last evening that Elza Gray had taken a ring from her. She preferred not to prosecute him, but wanted the ring restored.

A Fine Horse Astray.

Saturday night an iron gray horse escaped from its pasture up Caldwell's run. It belongs to J. Eiden, who values the animal at \$200. It had not been found at a late hour last night. A policeman saw it wandering about Saturday night and tried to catch it, but did not succeed.

Mayor Seabright Home.

Mayor Seabright got home Saturday morning from a western trip. While in Chicago he attended the Elks' outing, where "As You Like It" was given in the park by Louis James's company. The mayor says it was one of the finest things of the kind he ever saw, and he has seen a good many of them.

A Still Alarm Yesterday.

About 1 o'clock yesterday the rubbish on the north creek bank at its mouth caught fire and blazed up brightly. A still alarm was sent in to the Atlantic house and the reel went down and poured water on the pile for about an hour. The flames did no harm, but it was feared the railroad trestles might catch fire.

Visiting Wheelmen From Wellsburg.

Yesterday A. Lantz Huss, W. F. Porter and H. O. Blachly, of Waynesburg, Pa., rode down to the city on their bicycles. They got here late in the afternoon, and registered at the McLure house. A number of the wheelmen of the city rode out and met them and escorted them into town. They will return this morning.

Change of Time on the C. & P.

The new time table of the C. & P. Railroad, which took effect yesterday, does not materially change any trains but one, No. 59, that formerly arrived about noon, and does not now get in until about 2 p. m., the train leaving at 8:30 a. m., goes through to Wellsburg now instead of only to Steubenville, as formerly.

Typographical Union Officers.

At the regular meeting of Typographical Union No. 79 yesterday afternoon, vacancies were filled by the election of Charles Carenbauer as president; Oscar Howard, vice-president, and Will Miller as member of the executive committee. This union is making big preparations for Labor Day and will make a creditable showing.

Slight Wreck Saturday.

A B. & O. freight train broke in two on the heavy grade west of Bellaire Saturday. The only brakeman was left on the rear section with the caboose, and several cars started back down the hill. A work engine and cars were struck a pretty good blow. The brakeman could not hold them. Several cars were wrecked and the engine disabled, but fortunately no one was hurt.

It was a Harmless Machine.

A man who had been out gunning yesterday came in on an Elm Grove car, and left his cartridges and a reloading machine under a seat. A man who was cleaning the car found the outfit and was much excited, supposing it to be an "infernal machine" with which an attempt had been made to blow up the car full of people. He called Police Lieutenant Frohne over, and he explained the thing, when it was taken into the railroad company's office. The man's fear of it caused no little amusement.

Broke His Leg and Cut His Head.

Fred Lucas, of Bellaire, came to Wheeling Saturday at noon for a game of ball. He jumped on a B. & O. train to go home, and not waiting for it to stop at Benwood, jumped off, striking the rail on another track, cutting and bruising his face in a horrible manner and breaking his left leg at the ankle. He was taken over to his home by the marshal of Benwood and hauled from the ferry and medical aid at once summoned and everything done to make him comfortable.

THREW OFF THE BELT.

A Little Excitement, But No Damage, at the Main Street Bridge.

There was a lively time for a short while at the stone bridge excavation yesterday. It has been the custom to bring the timbers to be used in bracing the sides of the hole on the bridge and unload them with a derrick. In taking one of the timbers down yesterday it was not balanced properly and one end struck the belt of the pumping engine and caused the men employed in the hole to hunt higher ground pretty rapidly.

ABUSE OF THE POLICE.

A Bad Practice Which Ought to Be Formally Discouraged.

Yesterday evening about 6 o'clock Bill Young, of Pittsburgh, and his brother, Jim Young, of East Wheeling, were very drunk on Fifteenth street. Officer Wilkie passed and attempted to induce them to go home, when Bill became very abusive and both showed a disposition to resist. Jim, on being remonstrated with, went on home, but his brother called the officer every vile epithet he knew, and devised some original ones, besides using profanity shockingly. The street was crowded with women and children, and Young made a spectacle of himself for two squares, when the wagon was called.

The law does not permit an officer to pound a man for such abuse, but it sometimes requires rare forbearance to refrain. Charges of abuse should be preferred in every case and the heaviest fine imposed, but usually when the man gets sober he expresses sorrow and is let off. It is not only the abuse of the officer that should be punished, but the outrage on the public as well.

Saturday Nick Halpin had a hearing in the police court on a charge of disorder, and was dismissed. He then swore out a warrant in Squire Gillespy's court for Officer Scully on a charge of assault. The hearing of the officer was set for this evening.

TOO LIGHT A PENALTY.

But It Was the Severeest the Law Allows. Base Assault on a Child.

Two men, cousins, got into deep water in Squire Arkle's office on Saturday. Constable Lauchlin was passing through the Fifth ward market house and arrested two men, Frank Moran and William Florence, for fighting. After developments caused the arrest of Florence's cousin, a married man of the same name.

At the trial Moran testified that he was passing through the market house and saw both the Florences holding a little girl between them, who was crying and struggling to get away, while the men were taking improper liberties with her person. Moran told them to let the girl alone, when one of the men followed him up. Moran struck him and Florence kicked Moran a few times during the fight that followed. Florence Raymond, the little girl, who is only eleven years old, testified that the men took liberties with her person. The two Florences denied the charge, but on the strength of the evidence Squire Arkle dismissed the charge of assault and battery against Moran, considering the assault justifiable, and fined the Florences the extreme penalty, \$50 and cost each, for indecent assault. Both were sent to jail, being unable to pay the fine.

For this Morning's Court.

Put Corigan, arrested by Desmond for drunkenness; George Crismer, a disorderly, by Wilkie; George Emmitt, a disorderly, by Watson; J. B. Halpin, arrested by Heil on the same charge; Mrs. Julia Pence, of Martin's Ferry, run in by Donavin for drunkenness; D. Armstrong, disorderly, by Donnelly, and John Kelly, drunk, by the same officer; Eugene Smith, drunk, by Herbert; May Burkett, disorderly, by Desmond, and Chris Brazier, arrested by Scully for wife beating, were on the book at police headquarters yesterday for this morning's court.

A Little Sunday Fun.

About 5 o'clock Donnelly hauled in a tough looking young man who refused to give his name, who stood in the street and threw stones through the windows of Myrtle Lynwood's house, on the corner of Main and Twentieth streets, breaking glass, sash and all. When the officer appeared he ran and Donnelly had quite a chase for him, in which a hundred or so citizens joined.

STRUCK ON THE TEMPLE.

A Child Badly Hurt by being hit by a Base Ball Yesterday Afternoon.

The deadly base ball came near getting in its work again yesterday. George Tagg, a young boy who lives with his mother in Alley 14, was sitting on a bank on the tunnel green yesterday afternoon watching two rival nines play ball. A ball was struck, and in throwing to first base to put out the batter, the short stop threw the ball too high for the first baseman to catch it and it struck young Tagg on the temple, knocking him senseless. This broke the game up and the boy was carried to his home. He remained unconscious for three hours, Dr. Taylor attending him. He was finally roused, but seemed to know none of the family, though he would answer when spoken to. He is dangerously injured, but will probably pull through all right.

MRS. M. SCHAEFERBERGER, Beaver Dam, Wis., writes: "We have used Dr. Thomas's Eucletic Oil in our family for coughs, colds, croup and rheumatism. It cures every time."

## WHEELING INSTALMENT CO.

What we offer this week are goods of an "immediate need" character, entirely seasonable and withal indispensable. They may have met your eye at other places, but never has it rested on them at our prices, which are always the lowest and which will, this week, be on these "immediate need" goods lower than ever. We have Ice Chests at \$6; we have them, in fact, at any price. Your attention, however, we would have especially directed to our large Solid Ash Ice Chests, guaranteed charcoal filled, for \$9, worth \$12. We cannot stop to talk about their worth; it's entirely foreign to our present considerations of how many of these goods we have and how long it will take to dispose of them. We have adopted the most expeditious plan by reducing prices. This same reduction applies to our entire line of Ice Chests and Refrigerators. In warm weather needfuls we offer four-gallon Water Coolers, that is the same Cooler that sells regularly at \$3.50, for \$2.25 each; three-gallon Water Cooler \$1.75, former price \$2.75; two-gallon Coolers 75c each.

In Baby Carriages we have an assortment hard to beat in Reed and Rattan Bodies, upholstered in all shades and qualities of upholstering goods, which we sell for cash or on credit.
